PITBOX

Every team gets 3x5 meters two floor PITBOX (the depth of flat surface can vary depending on particular place).

That includes:

- Pitbox - 1 piece;*
- Electricity point. Overall electricity power for all the PITLANE shall be 80KW max. No more than 2KW per team is available.*
- For every team disposal 10m² space with roof on the second floor is available.*
- Free tickets for team guest place to the pitzone – 5 pieces, with possibility to buy more. Further information – www.racing.lt*
- Every team gets a possibility for the advertisement tents on the Pitbox (see next slides for more information)*

Standart team Pitbox 2nd floor looks like this:

THE SUGGESTION

For the small extra charge you can get that looking team pitbox which includes:

- ✓ ***Carpet floor;***
- ✓ ***The gardening fence (possible to order with your advertisement);***
- ✓ ***1 TV screen (for the results or LIVE TV coverage);***
- ✓ ***Water tank;***
- ✓ ***Bin;***
- ✓ ***1 bar table;***
- ✓ ***1 coffee table;***
- ✓ ***4 chairs (special soft ones for extra price).***

All that costs 1500 Eur with VAT.

Contact person: info@racing.lt

The reminder

- *The Pitbox can be organised by the teams themselves**

We recommend you to have in the 2nd floor of the PITZONE:

- ✓ *Carpet floor;*
- ✓ *Fence (up to 1m high), guarding your zone from the others;
(can be with your advertisement);*
- ✓ *1 or 2 TV screens (for the LIVE TIMING
and TV LIVE broadcasting);*
- ✓ *Water tank;*
- ✓ *Bin;*
- ✓ *Tables;*
- ✓ *Chairs;*
- ✓ *Guard;*
- ✓ *Tents with advertisement (check the other
slide).*

**Personel who prepares the team Pitbox must have the special passes for the PIT entry. Extra passes for them are not planned.*

INFORMATION ABOUT TENTS

- **POSSIBILITIES:**

1. 1 piece of 2960x890mm tent in front of the pitlane is a must. . There must be team name, drivers, starting number, represented country on it.; (MANDATORY)
2. 1 piece PIT outside (2960x890mm) (optional);
3. 1 piece PIT outside from the backside (2980x1910 mm) (optional). That side teams are entering the Pits so we suggest to keep it in mind and make it with the special entrance (zipper, buttons etc.);
4. 2 pieces PIT inside on II floor 2960x890mm (optional);
5. 1 piece PIT 2nd floor transparent, guarding from wind and rain (2960x890mm) (optional);
6. Fence (up to 1m height), guarding your zone from the other visitors (can be with your advertisement).
