## FRONT

## BACK

# INFORMATION ABOUT ADVERTISING / POSSIBILITIES

1. The front banner with compulsory information is mandatory. Compulsory information: Name of the team, start number, surnames and nationalities (flags) of the team drivers. 1 piece - 2960x890 mm.
2. 1 banner on the back of the Pit box (2960x890 mm) (optional);
3. 1 banner on the back of the Pit box (2980x1910 mm) (optional). Through this banner you will enter your Pit, so we suggest to keep it in mind and make it easy to enter with the zipper or buttons.
4. 2 banners on the second floor inside the PIT 2960x890 mm (optional);
5. 1 transparent banner on the second floor of the PIT, guarding from wind and rain (2960x890mm) (optional, provided by organiser);
6. Fence (up to 1m height), guarding your zone from the neighboring teams' guests. Must leave a way to walk from behind.

# RECOMMENDATION TO SETUP YOUR PIT

Provided space for the team on the second floor of Pit box looks like this:

We highly recommend for the teams to set up the Pit box for their guests, example below:
