TEAM PITZONE

UPDATED 11 03 2023

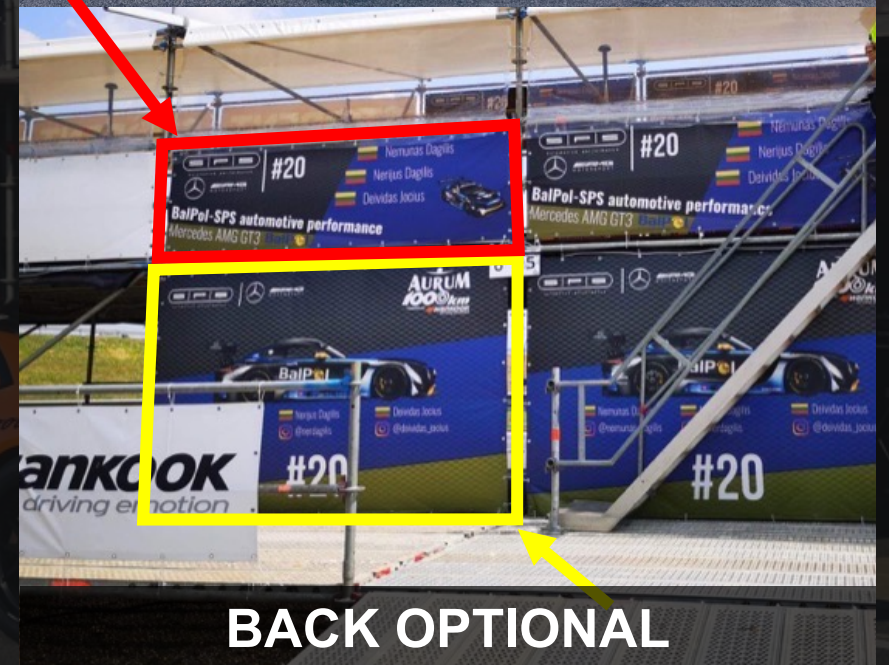

PIT BOX MANDATORY INFORMATION

Front and back banners must have the team's name, start number, surnames and nationalities (flags) of the team drivers.

The mandatory banners' measurements are 2960 x 890 mm (total 2 pcs.)

FRONT & BACK MANDATORY!

BACK OPTIONAL

PIT BOX

Each team gets 3x5 meters two floor PIT BOX (the depth of a flat surface can vary depending on a particular place).

That includes:

- Pit box - 1 segment;
- Electricity point. No more than 2KW per team is available (Overall electricity power for all the PITLANE - 80KW max.)
- Disposal 10m2 space with roof on the second floor is available for each team.
- 5 free tickets for the team's guests to the pit zone. To purchase additional tickets, please email info@racing.lt.
- Each team gets a possibility for the promotional banners* on the team's Pit box (see next slides for more information).

* Any advertising on the Pit box or pavilions cannot be higher than 1,2 m above the fixing point and must be confirmed with the organiser.

FRONT

BACK

INFORMATION ABOUT ADVERTISING / POSSIBILITIES

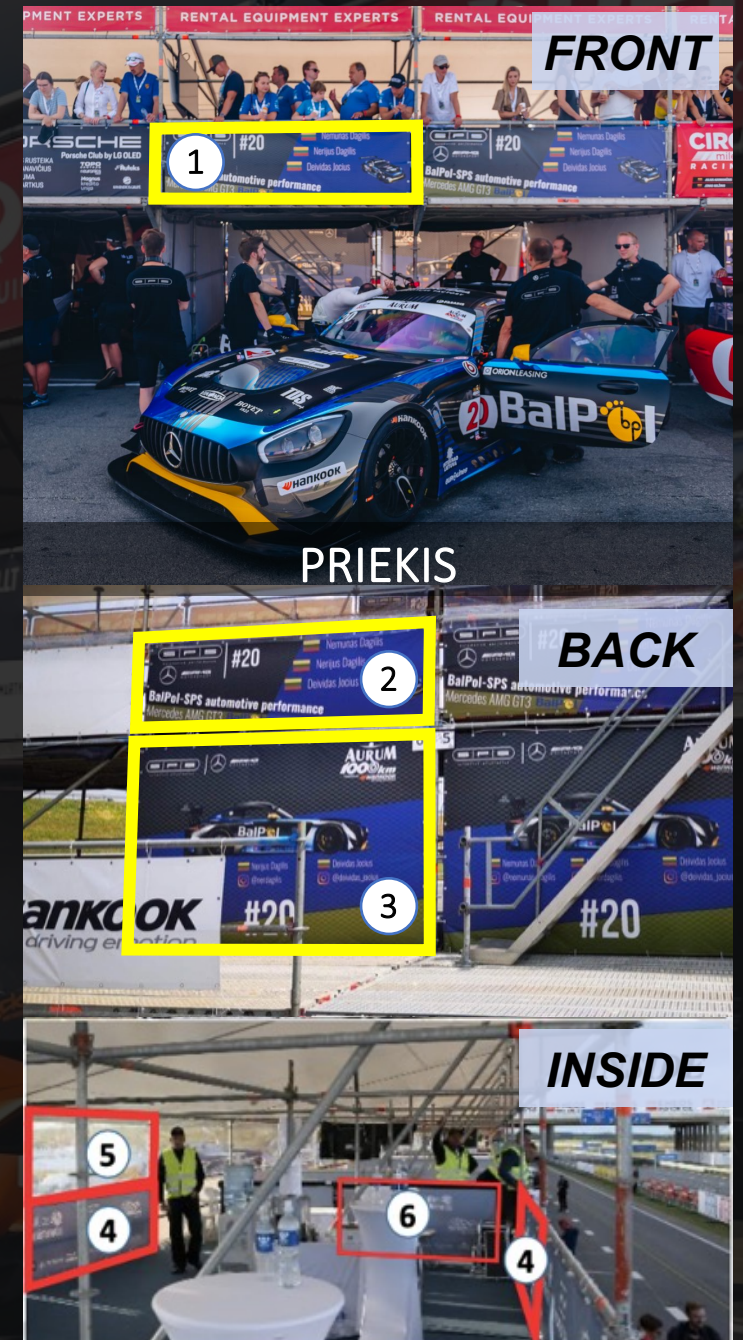

No 1. & No 2. The front and back banners with compulsory information are mandatory. Compulsory information: name of the team, start number, surnames and nationalities (flags) of the team drivers. Total 2 pieces - 2960x890 mm.

No 3. One banner on the back of the Pit box (2980x1910 mm) (optional, but highly recommended). Through this banner, you will enter your Pit, so we suggest to keep it in mind and make it easy to enter with the zipper or buttons.

No 4. Two banners on the second floor inside the PIT 2960x890 mm (optional);

No 5. One transparent banner on the second floor of the PIT, guarding from wind and rain (2960x890mm) (optional, provided by organiser);

No 6. At least two fences (up to 1m height), guarding your zone from the neighboring teams' guests (optional). Must leave a way to walk from behind.

RECOMMENDATION TO SETUP YOUR PIT

Provided space for the team on the second floor of Pit box looks like this:

We highly recommend for the teams to set up the Pit box for their guests, example below:
