INFORMATION ABOUT ADVERTISING

FRONT

BACK

INSIDE

The front and back banners with compulsory information are mandatory. Compulsory information: name of the team, start number, surnames and nationalities (flags) of the team drivers. Total 2 pieces - 2960x890 mm.

One banner on the back of the Pit box (2980x1910 mm) (optional, but highly recommended). Through this banner, you will enter your Pit, so we suggest to keep it in mind and make it easy to enter with the zipper or buttons.

3

Two banners on the second floor inside the PIT 2960x890 mm (optional).

One transparent banner on the second floor of the PIT, guarding from wind and rain (2960x890mm) (optional, provided by organiser).

6

4

5

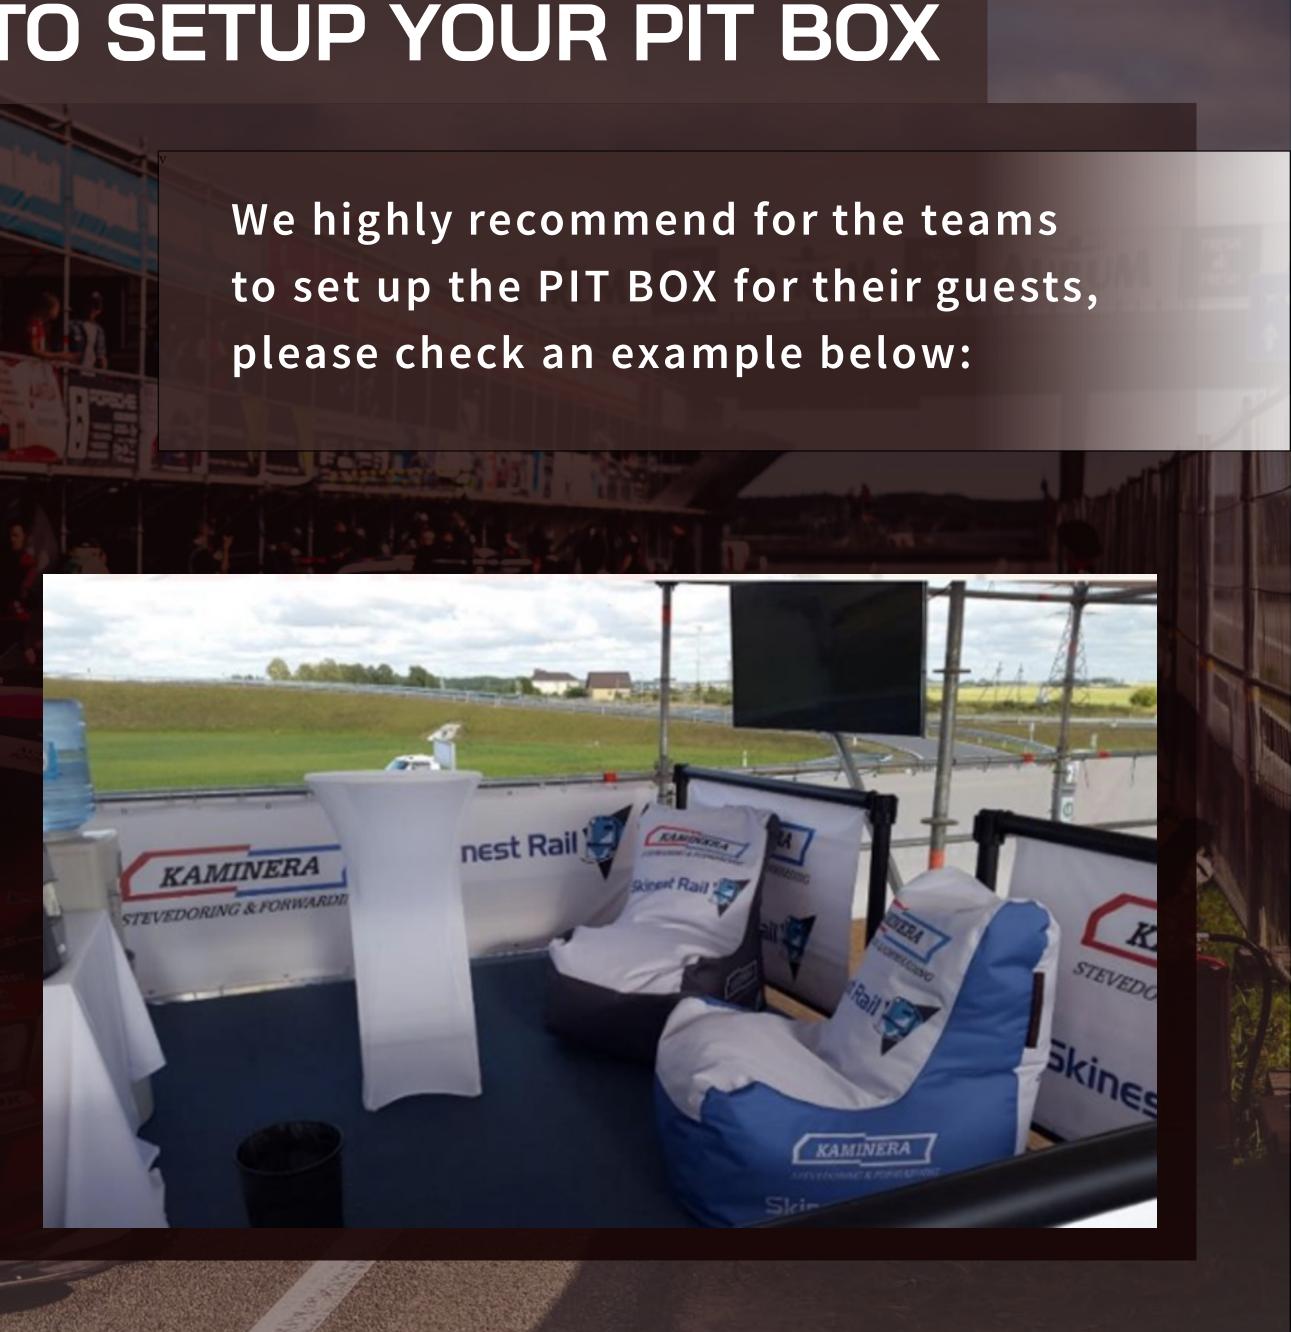

At least two fences (up to 1m height), guarding your zone from the neighboring teams' guests (optional). Must leave a way to walk from behind.

RECOMMENDATION TO SETUP YOUR PIT BOX

Provided space for the team on the second floor of PIT BOX, without set up, looks like this:
